

Criteria for scientific exchange applications

1. Will the application contribute to the Cotton Catchment Communities CRC Ltd (Cotton CRC) outcomes and goals, as documented by the latest revision of the Cotton CRC Strategic Plan?
2. Will the application contribute to meeting any DIISR milestones, as documented by the latest revision of the DIISR Agreement?
3. Is the application closely related to an existing Cotton CRC project, or will it contribute to the development of a new project?
4. What is the track record of the applicant(s) in research/extension, and in Cotton CRC corporate citizenship?
5. Will the application strengthen the Cotton CRC's international linkages?
6. Have the applicant(s) received any funding from the Cotton CRC or CRDC for international travel in the last two years?
7. How will results from this exchange contribute to Extension outcomes?
